## I have a Matterport Tour ~ Now what?

Where can it go?

Matterport Tours can be added to **Tour Factory**, **Flex MLS**, & **Dash** (formily CREST) for 3D tour on SIR.com & the possibility for other syndication sites or "Love Nominations"

Staff will need the Branded & unbranded links

For **Flex MLS**, Staff will need the Branded & unbranded embed codes

Simply copy & paste the links & embed code into the notes field of your marketing form (new or re-listing listing) with a note for staff to add it the **Flex MLS** ~ Or if the listing is Active and you have just gotten the Matterport Tour simply Paste the code into an email to tsir@Skyslope.com with a note for staff to add it the **Flex MLS** (Please include the MLS# and/or Address this helps us out tremendously)

Here is what we are looking for: (the matterport software creates these links so, vendors can easily provide these links & embed codes)
