**Location Overview** The suggested word count is 200 words or less, though it is highly recommended to include at least 100 words.

*Example:*

*Park City is a year-round resort town located in Utah's Rocky Mountains known for hosting the annual Sundance Film Festival and deep-powder skiing at three resorts: Park City Mountain Resort, The Canyons Resort and Deer Valley Resort. Born as silver-mining settlement and resurrected as a four season vacation destination, is a pedestrian's delight with shops housed in original Victorian structures.*

**Owner's or Expert's Quote** The suggested word count is 50 words or less.

*Example:*

*I will fondly remember the crackling fireplace, the laughter of my children and everyone's excitement when they awoke to a fresh snowfall. Our home at the St. Regis Deer Valley brought the Edwards family together and ensured we spent quality time, away from the usual distractions, focused on one other and having fun.*
